

## GAGGLE EMAIL and INTERNET/INTRANET SAFETY CONTRACT/PLEDGE

I want to use the computer to access my student email account and utilize the school Intranet and the Internet to help me complete my school assignments.

1. I will not give out my name, address, telephone number, school name, school mascot, or my teachers'/parents' names, addresses, or telephone numbers via any electronic medium/channel.
2. I will not give out my email address or password to anyone other than my teachers/parents.
3. I will not send a picture of myself from/to Gaggle or from/to any school computer.
4. I will not fill out any form or request online that asks me for any information about my school, my family, or me.
5. I will not use bad language while using Gaggle or any other school-related software. I will use proper English grammar in all electronic communications.
6. I will tell my teachers if I see bad language while using a school computer, or while using Gaggle, or if anyone makes me feel nervous or uncomfortable while online.
7. I will never agree to meet someone that I met online.
8. I will not use articles, stories, or other works that I find online and pretend that they are my own.
9. I will practice safe computing, to include: not opening email from people I don't know, not downloading any attachments unless instructed to do so by my teacher(s), not sending inappropriate email to other students.
10. I will be a good online citizen and not participate in any activity that hurts others or is against the law, or any of my school's policies.
11. I understand that I have no expectation of privacy and that all my communications can be monitored, read, and deleted by my teachers and school officials.

KMS operates under a 0 tolerance policy for improper use of electronic communications to/from school or for/with any school-related activities. Violating any of the above will result in immediate disciplinary action.
